

## Displays

Flyers, brochures, and table tents may be displayed in the library, as long as arrangements are made through the Library Circulation department. Generally, the Circulation department will accept up to 15 copies of flyer etc. to be distributed throughout the library. Priority is given to EOU sponsored and on-campus events. Any flyers placed in the library without prior approval will be discarded. Any flyers taped on windows will be discarded.

The library also offers three bulletin boards for display. The bulletin board supervised by the Center for Student Involvement has restricted use. However, the other two bulletin boards are managed by the library. The library Circulation department reserves the right to remove outdated items from the library bulletin board.
