

Photocopying

Use of the library's photocopying equipment is on a first come, first served basis with a time limit of 15 minutes if others are waiting. The machines may be preempted by the library for occasional special institutional uses.

The fee for copying is \$.10 per page for black and white and \$.25 per page for color. The photocopiers accept nickels, dimes or quarters as well as bills in the amount of \$1, \$5, and \$10. Library copy cards can be purchased at the Circulation Desk for \$1.00. Money can then be added to the copy cards at either of the two photocopy machines in the library.

Title 17 of the United States Code governs the making of photocopies and other reproductions at Eastern Oregon University. Copyright laws must be respected. Copyrighted materials may be reproduced only if copies are intended for your own personal use. Federal regulations stipulate specific requirements addressing "fair use" in copying materials. Information on copyright laws is posted for your convenience near the photocopy machines.
