

Printing and Scanning

EOU Library provides a flatbed scanner, which can be accessed from one computer in the Information Commons (IC), two scanners on the photocopiers, and a printer, which can be accessed from any library computer. Please limit printing and scanning jobs to 15 minutes when others are waiting.

The fee for printing is \$.10 per page for black and white and \$.25 per page for color. The printer accepts nickels, dimes or quarters as well as bills in the amount of \$1, \$5, and \$10. Library printing cards can be purchased at the Circulation Desk for \$1.00. Money can then be added to the cards at either of the two photocopy machines in the library.

There is no charge for using the scanners but it is recommended that patrons bring their own storage device (such as flash drive) as storage on the hard drives of the IC computers is not available.

Title 17 of the United States Code governs the making of reproductions, including scanned or print reproductions, at Eastern Oregon University. Copyright laws must be respected. Copyrighted materials may be reproduced only if copies are intended for your own personal use. Federal regulations stipulate specific requirements addressing "fair use" in copying materials. Information on copyright laws is posted for your convenience near the photocopy machines.
