

## Library Classroom Use Policy

The primary purpose of the library classroom (Room 209) is to provide library research, information literacy, and bibliographic instruction. Regular booking for these purposes is 8:00am-5:00pm Monday - Friday during Fall, Winter, and Spring terms.

During times when it is not required by librarians for instruction, other EOU faculty may reserve it for individual class sessions related to research instruction. It may be reserved by contacting a librarian.

When not being used for library instructional purposes it is available for walk in student use.

Outside of 8:00am-5:00pm Monday - Friday during Fall, Winter, and Spring terms the room can be booked by EOU faculty and staff on a case by case basis for other purposes.
