## Chemistry - Biochemistry

### IT'S EASY!

Your EOU application automatically includes you for scholarship opportunities.

Apply **NOW!**

[eou.edu/apply](http://eou.edu/apply)

### Bachelor of Science in Chemistry-Biochemistry

Flexible degree for multiple career paths!

Health care professional, researcher, patent lawyer, forensic scientist and teacher are just some of the career paths open to you with a chemistry-biochemistry degree!

Private college quality for a public education price!

EOU's chemistry-biochemistry program features small class sizes, state-of-the-art facilities, and a nationally recognized student chapter of the American Chemical Society. All students carry out and present undergraduate research - practices highly valued by employers and graduate schools.

### Flexible for your schedule!

This major can be completed: On campus — La Grande

"I felt prepared for medical school with the good foundation EOU gave me. The faculty are teaching-oriented and accessible. I loved that it was a small campus and I also came out with a lot less debt."

Shakira Bandolin, '09  
Biochemistry  
Physician (UC-Davis Medical Center)

Shakira completed her MD at University of Washington and was selected as a National Outstanding Medical Student!

**Oregon in-state tuition for ID and WA residents**

High-quality programs

Access for all

Live, learn, succeed

The EOU Chemistry Club has earned the "Outstanding Award" from the American Chemical Society for eight years in a row!

## Study - Research - Learn!

- > 91% acceptance rate to graduate and professional schools.
- > Small class sizes and personal attention.
- > Outstanding facilities and research experiences.
- > Nationally recognized program and faculty.
- > Professional networking at the regional and national level.

## Prepare for a career

What are EOU alumni doing?

### Health

- > Physician
- > Dentist
- > Pharmacist
- > Veterinarian
- > Chiropractor
- > Optometrist
- > Physical therapist

### Education

- > Professor
- > Teacher
- > Curator
- > Science outreach coordinator
- > Scientific writer

### Industry/Government

- > Patent lawyer
- > Biotechnologist
- > Forensic scientist
- > Semi-conductor engineer
- > Toxicologist
- > Ecologist

## ASTEIO Scholars Award

Receive up to **\$7,500** annually for tuition and fees!

Renewable up to four-years for freshmen, two-years for transfers

### Eligibility Requires:

- > First time freshman or new transfer
- > Have a SAT math score of 550+, or an ACT math score of 25+
- > Major in a STEM field!
