- > Public relations, advertising and media theories
- > Communication law, ethics and theories/research
- > Mass media, news media, digital video and web development

### Flexible for your schedule!

On campus — La Grande

Online — from almost anywhere

The opportunities for students in this field are vast and growing immensely. The passion I have for the work, as well as the knowledge I gained here at EOU, helped me to excel at my job. I could not be happier with the career path I have chosen and the opportunities that became available to me due to the excellent education I received.
